Premium Shopping Mall-Kuttiady

# A LITTLE SLICE OF PARADISE

Kuttiady, just 24 kms from Vatakara, is one of the many quaint, picturesque towns that dot the North Malabar region of Kozhikode District. Once a strategic military region, it was one of the only passes into the hills of Wayanad, and lies in the shadow of the magnificent Banasura peak. Kuttiady was an important outpost for Pazhassi Raja's Rebellion, and two golden swords that supposedly belonged to the martyred king were unearthed here. Nowadays, Kuttiady is known for its hydroelectric power plant, its much coveted high yielding coconut palms, and its verdant, natural beauty.

# A NEW WAY TO GO SHOPPING!

We hope to bring together a variety of brands and shopping enterprises that will add a new dimension to shopping in the region. Located in the heart of Kuttiady town, Keloth Square will be a space that is not only useful and convenient, but will also offer “big city” facilities like fully centralised air conditioning for common areas, premium interiors and parking spaces. Adding a touch of class and comfort and also give people new & exciting experiences of discovery and exploration. Bringing better and more diverse products closer to the people of Kuttiady.

# LICHEN A HEAVENLY FEAST

The brand name Lichen stems from the biblical significance of the word manna. It goes back to Egypt, where the Israelites were suffering under the rule of Pharaoh. The Lord heard the Israelites cry for help and sent Moses to save them. He led them through the desert to the Promised Land, Canaan. In the desert the starving community was blessed with a layer of dew around the camp. When the dew was gone, thin flakes like frost appeared on the desert floor. The flakes were called Manna, the feast prepared by the God almighty for his chosen people. Manna tasted different for different people and satisfied the nutritional requirements of various age groups and produced no waste. It fell near the people with faith and far from those who were doubtful.

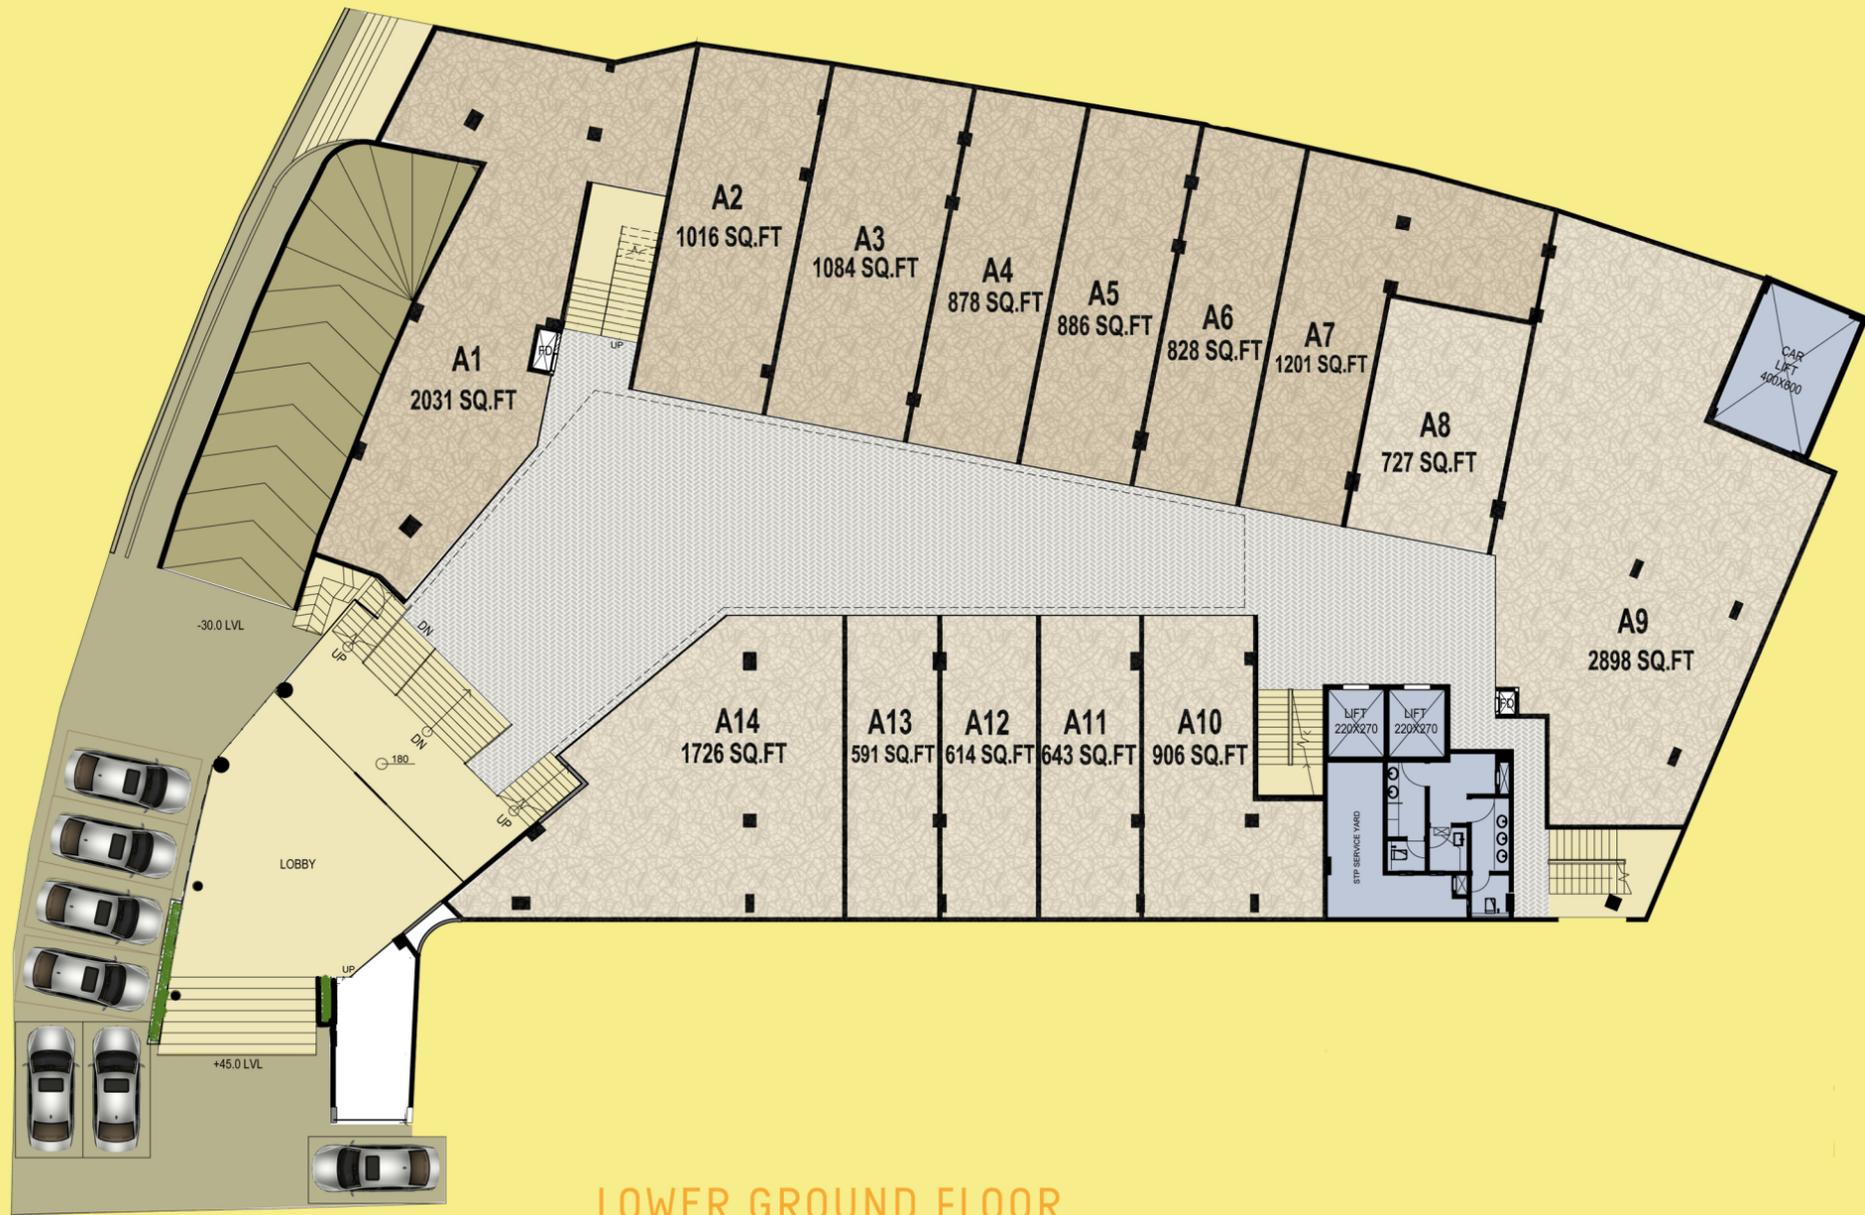

Later on, the plant Lichen was found to be similar to manna, due to its special qualities. Lichens are known to grow in some of the most extreme environments on Earth—arctic tundra, hot deserts, rocky coasts, and toxic heaps. Lichens are widespread and long-lived. Moreover they survive symbiotically, where both the partner and the host benefit equally.

The brand name Lichen Builders owes its origin to such constructive traits of the plant Lichen. The group's concept of infrastructure development corresponds to that of the Manna, which is the symbol of happiness and heaven and Lichen which offers equal benefits for everyone involved. With infrastructure ideas that are a favourite among all their customers, Lichen Builders have always strived to keep up to the name they have chosen.

As the manna, be sure to hold on to what Lichen Builders have to offer with all its benefits. Lichen Builders has been proving their quality of work and gaining the trust and satisfaction of its investors for the last 25 years reiterating the significance of the brand name.

Lichen Builders invites you to be part of this heavenly feast.
